

Let's Code It Programming!

Winter 2020

Washington Union Elementary

GRADES 4-5

Classes will take place at Washington Union Elementary in the Multi-Purpose Room.

Ozobot Zone- The amazing Ozobot rolls, spins, zig-zags, dances and flashes a rainbow of colors, all at your command! This cross-curriculum course brings coding and robotics together. Write some code on your computer, and the Ozobot will act it out in front of you! Play fun coding games, challenge other robots to a race, and draw a colorful path for your Ozobot to follow. This pint-sized but powerful robot will be your partner in learning as we gain skills in logic, storytelling, sequencing, and problem-solving. Each student will receive an award on the last day of the session, and will have the opportunity to earn Code Belts to demonstrate their learned skills!

Course Time: *Thursdays, February 6th - April 2nd, 3:00 PM - 4:00 PM*

No class: 3/12, 3/19 (7 Classes)

To sign up, please visit <http://www.learningmeansfun.com/signup>.

*You will need to enter the class code **WAC2.6.20** in order to register. Please register by 1/29 for the early bird price of \$136.50.*

*If you have difficulty registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or registration@learningmeansfun.com
No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.*

Registrations after 10pm PST on 1/29 will incur a \$15.00 late fee and will be admitted on a space-available basis.
