

Washington Union School District
Classroom Observation Summary
(aligned with California Standards for the Teaching Profession)

Summary of Lesson:

Commendations/Recommendations:

As part of the evaluation process, this document will be placed in your Personnel File at the end of ten (10) working days. You have the right to attach a response and have the response also placed in your Personnel File.

Signature of this document does not assume agreement with the contents, but only that it has been received by the employee.
